Investment Objective

The fund invests in short-dated fixed income instruments with an average duration of under 12 months. The fund's management focuses on identifying the best opportunities in the euro denominated bond universe with broad diversification in terms of asset type: treasury bills and bonds, term deposits, commercial paper, mortgage-covered bonds, bank-guaranteed debt and credit. The fund may invest up to 25% in issuances rated lower than the rating of Spanish sovereign debt.
