Investment Objective

The aim of the Sub-Fund is to seek long-term capital appreciation by investing in listed equity securities of companies of capitalisation equal or greater than 2 billion EUR or equivalent whose success is mainly based on intangible assets (network effect, brand equity, human capital and intellectual property, among others) that can be maintained over the long-term, and which represent a source of revenue creation for the target company, mainly in North America and South America, Europe, and Asia Pacific region.
